

Our Region: Population & Culture

March 4, 2010

Name: \_\_\_\_\_

1. In the following exercise, fill in the blanks to answer which countries match the descriptions given. (Your answers do not involve the Cayman Islands).
  - a. The country with the largest land space in the Caribbean region is \_\_\_\_\_.
  - b. The country which is second largest in size is \_\_\_\_\_.
  - c. The country in the Caribbean which is third largest in land space is \_\_\_\_\_.
  - d. The country which is the fourth largest in land space is \_\_\_\_\_.
  
2. In the following exercise, fill in the blanks to answer which countries match the descriptions given. (Your answers do not involve the Cayman Islands).
  - a. \_\_\_\_\_ is the country with the smallest land space in the Caribbean region.
  - b. The country with the second smallest land space is \_\_\_\_\_.
  - c. The country which has the third smallest land space is \_\_\_\_\_.
  - d. \_\_\_\_\_ has the fourth smallest amount of land space.

3. In the following exercise please circle T or F to answer whether each of the given statements are true (T) or false (F).

T F The Bahamas islands have a smaller amount of land space than the Cayman Islands.

T F Cuba is larger in land space than the Cayman Islands.

T F The Dominican Republic makes up a smaller amount of land space than the Cayman Islands.

T F Haiti is larger in land space than the Cayman Islands.

T F Antigua is smaller in land area than the Cayman Islands.

T F Montserrat is makes up a smaller land space than the Cayman Islands.

T F The British Virgin Islands make up a larger amount of land space than the Cayman Islands.

T F St. Kitts has a smaller amount of total land space than the Cayman Islands.

4. In the following multiple choice exercise circle the correct response to each question or statement.

1. The population of Cuba is:

- a. 40,000
- b. 11,096,400
- c. 233,050
- d. 71,000

2. What is the population of St. Kitts?

- a. 69,000
- b. 22,345
- c. 85,467
- d. 42,800

3. The population of the Bahamas is:

- a. 283,700
- b. 661,000
- c. 59,020
- d. 75,233

4. The population of Antigua is:

- a. 48,200
- b. 64,300
- c. 87,420
- d. 56,240

5. What is the population of Haiti?

- a. 4,884,300
- b. 2,000,560
- c. 6,884,300
- d. 216,002

5. Following is a matching exercise. Please draw a line from each country on the left hand side to that country's main cultural activity on the right.

Montserrat

Rumba

B V I

Compas

St. Kitts

Calypso

Antigua

Merengue

Bahamas

Dakuna

Haiti

Masquerade

Dominican Republic

Junkanoo Music

Cuba

Goat Water

Flamenco

6. Select 5 of the countries and their customs as mentioned in question 5 above. On the lines provided below write one or two sentences about where their cultural practice originated. Use a separate sheet of paper if necessary.
